PROFESSIONAL SUMMARY

Driven and innovative fresher with strong foundation in programming and development. Proficient in UI/UX and expanding my skills in full-stack development. Possessing ability to deliver innovative projects and committed to professional growth and problem solving abilities.

SKILLS

- **Programming Languages:** C++, JavaScript, Python, C
- **Web Development:** React, NextJs, Node.js, HTML, CSS
- **Databases:** MySQL, MongoDB
- Agile Methodologies

EXPERIENCE

Web Developer, Oasis Infobyte   *July 2023*
- Implemented open-source level 2 projects assigned in the task list.
- Built a tribute page, a calculator and a to-do task web app with HTML, CSS and JavaScript.

EDUCATION

BTech in Information Technology   *2021 -2025*
Shah and Anchor Kutchhi Engineering College   **CGPA 8.6/10**

Class 12th - HSC   *2019   2021*
K J Somaiya College Of Science & Commerce   **Percentage – 93.5%**

Class 10th - SSC   *2006 – 2019*
Guru Nanak English High School   **Percentage – 86.8%**

PROJECTS

1. E-Books E-Commerce Website   *June 2024 - present*
An E-Commerce Website using MERN stack where a user can scroll through different genre of books and can purchase any book with pdf/epub format at a very low price along with a chatbot to offer personalized book recommendations.

2. Portfolio Website
An implementation of Next.Js by demonstrating my portfolio with advanced animations and a responsive website.

3. CRUD operation In ReactJs
A web application that allows users to perform basic data management tasks such as creating, reading, updating, and deleting records. This project serves as an excellent way to understand state management, component structure, and interaction with APIs in React.

4. Amazon Clone
An exact replica of Amazon Global Home Page using HTML and CSS.

5. To-do task List
A simple To-do list Website created using HTML, CSS and JavaScript with features to update a completed   task or mark a pending task along with the filter option of completed, pending and all.

ACHIEVEMENTS

- **Hackathon's Shortlisted Team** at SAKEC (September 2023): Presented the solution for the problem statement "Cognitive Retraining Program for children with disabilities" for my team TechNeeks and got shortlisted for the internal round.

POSITION OF RESPONSIBILITY

- Event Head, Cultural Fest, Sakec (March, 2024) : Led a team of 23 volunteers and organized a dual-theme event along with scavenger hunt.
- Documentation Head, Green Club, Sakec (2023 – present) : To maintain thorough reports of the events and analyze the impact and progress.
